

Hi Dear Participant,

Thank you for attending our live webinar on "**A Silicon Valley Take on AI Adoption**". As promised, we are following up to share video replay, copies of the slides, as well as contact information for our awesome panelists.

Please do not hesitate to share the materials, or reach out to any of us if we can provide assistance in any specific situation.

**Video** replay of the webcast is available on demand [here](#).

**Slides** are available [here](#).

Contact information below.

**Olga V. Mack**

CEO @Parley Pro

Olga V. Mack is the CEO of Parley Pro, a next-generation contract management company that has pioneered online negotiation technology. Olga embraces legal innovation and had dedicated her career to improving and shaping the future of law. She is convinced that the legal profession will emerge even stronger, more resilient, and more inclusive than before by embracing technology. Olga is also an award-winning general counsel, operations professional, startup advisor, public speaker, adjunct professor, and entrepreneur. She founded the Women Serve on Boards movement that advocates for women to participate on corporate boards of Fortune 500 companies.

**Steve Obenski**

Chief Strategy Officer @Kira Systems

Steve leads strategic planning, strategic partnerships, and business and corporate development. Since joining Kira Systems as its first non-founder executive in 2014, he has at various times led and grown several teams, including sales, marketing and product management. Previously, Steve was a general manager of Thomson Reuters' business law solutions division, and his experience also includes practicing law with a focus on technology transactions, and serving on the boards of startups and nonprofits. He holds a law degree from UCLA, a M.A. in International Economics from Johns Hopkins SAIS, and an A.B. from Brown.

**Alex Babin**

CEO @ZERO

Alex is the CEO and co-founder of ZERO, a leading email management and automation company for the legal market. Alex leads a group of 50 professionals at ZERO to help law firms to get one step closer to operational excellence by saving attorneys time on email and document management and by providing new revenue by automatically capturing mobile billable time, making it truly a first day ROI. Alex has 10 years of experience building and bringing to market AI/ML and automation technologies and products.

**Louis Lehot**

Founder @L2 Counsel

Formerly the co-managing partner of DLA Piper's Silicon Valley office and co-chair of its leading venture capital and emerging growth company team, Louis now operates an elite boutique law firm platform designed to serve entrepreneurs, innovative companies and strategic investors with sound legal strategies and solutions. Having spent 5 years in Europe to advise non-U.S. multinationals on how to access the U.S. capital markets, Louis is uniquely positioned to help companies grow and achieve liquidity across borders.
